N/A

A prime investment project located only 15 minutes from Ronda. The finca consists of 7.5 hectares of olive plantation (approx 600 producing trees) and borders the National park of Grazalema. There are approx 1,100m² of constructed warehouses and buildings, there is also on the land a legalised mineral water source with 2 litre per second capacity. This water has been previously analysed ...(Ask for More Details!)
