ABSOLUTELY CHARMING one bedroom townhouse, situated within very easy walking distance of La Cala de Mijas and the beach. Distributed over 2 floors, this lovely house has a spacious lounge/dining room, fully fitted kitchen, bathroom plus separate cloakroom and a large double bedroom. The house is surrounded by its own private terraces, patios and gardens, with abundant mature plants and flowers. There is also a very large communal area with swimming pools and lawns. In need of a little modernisation in parts perhaps, hence price. A perfect holiday location, great rental investment potential. A super buy all round!!!
