Wow, what a prime location. In the heart of Fuengirola, next to a park so it's quiet and calm, no traffic and yet just 1 or 2 streets away from all the fun, you name it, cafes, shops, bars, farmcies etc. 2nd line from the beach, literally less than a minute walk and you are on the beach. Top class. This one bedroom apartment is up to date, fresh and full of light, just move into the newly refurbished atico and enjoy life. Kitchen new, everything new! Nice terrace and perfect location. It's a steal !!!
