A large three bedroom corner townhouse in the popular Pueblo Lopez development in Fuengirola. Pueblo Lopez is a quiet complex which has retained its Andalusian charm yet is perfectly located, just steps from all the amenities that Fuengirola has to offer. The house has been recently renovated and is presented in show home condition, ready to move in. The property consists, on the entrance level, of entrance hall, spacious lounge-diner, fully equipped brand new kitchen with granite worktops and new appliances, a further room currently being used as an office which could easily be turned into a double bedroom, guest toilet and storage area. The lounge-diner faces south west and gives access to a glazed conservatory with utility-room which in turn leads to a sunny outside terrace complete with jacuzzi. Moving upstairs we find two particularly large double bedrooms both with fitted wardrobes, a newly fitted bathroom with both bathtub and large walk-in shower as well as another room, currently used as storage, which could easily double as an office or additional bathroom. Offered for sale fully furnished, the house also benefits from communal parking although in this location you won't really need a car. We don't expect this to be on the market for long so don't delay, contact us now to arrange a viewing.
