

Apartment for sale in La Cala de Mijas

Reference: R3450103

175,000€

2  1  73m²   

Properties in the development of El Torcal do not come up very often so it's a real pleasure to be able to offer this lovely apartment for sale. This top floor corner apartment has amazing panoramic views from its open west facing terrace. This is a very small community of only 14 apartments within a short walk of La Cala de Mijas plus you have a selection of amenities within a stones throw as well. A real gem of a property
