82m²

This beautiful penthouse is located on the first line of golf, on the top floor (2nd) of a beautiful complex with large communal pool 5 minutes drive from the beaches and all types of shops. The complex offers exceptional views of the mountainous terrain, the sea and golf. The apartment consists of three bedrooms, two bathrooms, a fully equipped kitchen and a lounge / living room very bright. The kitchen also has a utility room that has been covered with aluminum and windows to keep brightness and at the same time allow for a covered storage space. Outside, you can enjoy the sun and great views from the large terrace of 27m² and also from the large solarium of about 75m² located upstairs. It also includes a parking space in an underground garage.
