Fantastic apartment in the renowned urbanisation Hacienda Elviria. With high qualities, this apartment has a lot of space. A large terrace, with partial sea views. It is the last floor (just below the Penthouse). With garage, this apartment has 3 bedrooms, 3 bathrooms, alarm, marble floors, gardens and community pools. It's like New! Visit highly recommended! The urbanisation is very good, with 4 swimming pools, very close to the German school, and Santa Clara Golf. Close to restaurants and supermarkets.
