Great 3 bed apartment on a 2nd floor in the heart of Sabinillas. Second line beach. This urbanization has a lift and a fantastic communal pool. South facing terrace, 2 minute walk to the beach, close to all amenities and located in a fantastic location of Sabinillas. The property itself is a little bit older, but all very functional and in working order, fully fitted and fully furnished. Two bathrooms, one with walk in shower and one with bath tub. Good storage space. The kitchen is separate and of a really good size, so no complains for those who like to cook. Property always very well taken care of by the owners. Great investment, first or second residency. Also great for holiday rentals, because of location, communal pool and lift. Ask for more information!
