The Alborada Homes residential complex comprises a total of 45 homes and features 2, 3 and 4-bedroom apartments, arranged over 3 low-rise buildings. Their modern and attractive design and attention to detail, harmoniously blends in with the nature of its beautiful surroundings. The south/southwest-facing apartments benefit from abundant natural light and their large windows boast breath-taking views of the beautiful surrounding landscape, thereby creating a climate of relaxation and peace. This gated community guarantees the security and privacy of its residents and features pleasant common areas, among which a swimming pool with sun deck, gardens with plant species native to the area and also a practical gym for the enjoyment of sports lovers. In addition, the development includes 67 parking spaces and 45 storage rooms located at basement level.
