This is a very nice beach side 2 bedroom townhouse just 2 mins walk from the beach, shops and other amenities. It has great views out over the pool and gardens and has sun most of the day. The location is great as its close to a local supermarket, lots of restaurants as well as the local bus route to Marbella or Estepona. The townhouse has been renovated recently with newer terraces and kitchen with the upstairs bathroom also being updated a few years ago. Very nice holiday or 2nd home and great investment.
